12"	28.911	28.912	28911 8	28912 5	12.750	40	80	1000

Dual marked for drain, waste, and vent as well as pressure applications

NSF-dwv & NSF-pw

PVC DWV pipe meets the requirements of Revision 31 of the FHA Minimum Property Standards

PVC-DWV pipe complies with ASTM D 2665 and ASTM D 1785

Sizes 2" through 12" also conform to ASTM F 480

For pressure rating, see PVC Schedule 40 Pipe Sheet ASTM D 1785

Material complies with ANSI / NSF Standard 61
